WILLIAM WALKER turbecy in Victoria Gaol and an American dilizen of Altican descent was charged with being drunk. LORONG No 16, said I was on duty last hight in Hollyowood Road when I beard a name. I went in the direction of it and found this devil (kwei) kicking at a door. The European serjeant came along and told use to take him to the station. The Defendant said he was out last flight for a walk when I got playing with two China girls. I played with them for some time but I did not to them any harm. One of them then asked me to walk into her Cower which howsamdever I declined to do She then went into the house and closed the door, and presently three distinct showers of fluid came down upon me. Not an. proving of that sort of thing I kicked at this loor to obtain an explanation. Magistrate-Were you drank?

Defendant .- I was not in the influence of ligner Mg. Dovorag-said for the short time he had sen in the gaol the diendant had behaved very Magistrate -In consequence of the good character I have received of you I will only inflict open you the nominal fine of one shilling.

> Letters to the Editor. To the Editor of the "Daily Press."

HONGKOND, 2nd November, 1565 DEAR SIR -In my former letter to you relative

I have beard that the ouptaid has died since. He man in his last moments, giving two or three condead. The boy is one of the four brown where the hand 2 o'clock P. the next day (26th instant) had are not I think they indected on the piratical ing his many good characters; nerhans it may his many good characters; perhaps it ma deem stronge no one had taken any notice of this man ..., how very anxiously he looked towards the Lorcha that had been hovering about us from about 10 o'clack in the forencon; he soon began o tell us of what the Lorcha had been doing in the way of fighting, &c., &c.; as he seemed perfectly ognizent of all their doings; at least fur some time back, when the firing commenced (though he was the first one who recommended such a course) te certainly was the first also to make his exit from the Quarter deck to some of the regions below, nor did I see him any more until the intrying away of the things out of the cabin. ifter I was hauled up out of the water, nearly three hours after-and no I have beard it ofen remarked every man does some foolist bing in his life time; so with him in the burry o carry of a portion of his booty; he had pulled his sapers out of his pocket, and they are at present in beard the ship, giving his name, which is in English on one side, and Chinese the other. May ark can, no information he gleaned from such a valuable doesment, surely some of our Hongkong interpreters could make good use of it, but strangr still after the Lorchs had put off from the ship called down below for the Pilot, he had disappear id and gone with them in that floating den of the greatest thieves and murderers that perhaps ever sailed; no doubt but by him lelling us of what the Loroba had been doing was simply to convey to our minds that he was no partaker of the good hings (poor innuccent) Chinesefor by telling us to fire, a signal for them to come down on us at one --, in fact a person may look at this in many ways, but I am convinced he was an accomplice. it all events he played his carda well for them, derhaps he might require a little better living than lays (as I believe there are some epiquies among celestials) which made him leave in the lorchs. or they left us neither money, food, or clothing But they did leave us two short swords; probably thinking we might take to cutting our throats, or each others, as they had practised so well on the aptain at the latter part of the fight after he was ad-or as they had served the carpenter, for after these were shot they slashed them with this same sword and bayoneted them so as to make the dead doubly or trebly an, or assurance double aure. But this sword may tell a tale, as I hear the Captain of that Hamburg brig who was taken a short time back—says the same swords were in his vessel. only wish he had kept them there, for I feel the effects on the side of my face from the blow given from one of them now; at this time I was standing (or set down) arraigned before this tribunal of murderers and told though my life should be spared and they would allow me to lower the ship's Sig, which was hung on the port dayits, that they would burn the vessel. This news certainly did not

elevate my spirits, or tend to improve my condition, in fact the places now can be seen on board the ship where the attempt was made, but I got them to relinquish their object, as well as to allow my boy to go about with his head on, which no doubt the boy preferred. The tall man (pirate) old me that I could take her to Hongkong, as he questioned me about the quantity of money her owners (whose are Chinese) where from, and would make small things of them. The Captain I knew was far enough out of their way, and I had sunnes. I thought there was something wrong and sation that they intended going to Macao. I sup-I refused to mke it and ran back again home. pose to sell our though, in fact—there are many things that can be of use only to sell in sea port towns, and I should certainly recommend sending some one over the re to ferret out all the informailon; certainly there were two Portuguese among hem, dreated in Chinese clothes and tails on, and one of these was the man who spared my life, and most look on him very leniently; he protected no from many insults giving me back my album of portraits, though it was afterwards taken from me by one of the other villains in his absence; on taking from my finger a ring, being rather tight on, (a tall thin man) drew from his helt a short charp knife saying, maskee. I can cut your fing r off, but I rather demurred to this, and pulled it off, though my hand and little finger was most severely cut, and a ball through my arm. Now came the greatest trial of all to get the ship into two in his left thigh, the other than he little above ask some of your readers if they could suggest any plan to have helped us, as since my last letter. was published. I have heard so many opinious given, each one differing in the mede of execution that a person's mind must be se pliant as an osier to bend and fit to each idea mooted and as thirsty as a sponge to take all in: one man says if he had
